Consent to Participation

We hereby consent and agree that our child may participate in all the athletic activities of the school, including, without limitation, games, camps, tournaments. It is my understanding that the school will provide what it considers to be adequate and reasonable adult supervision with respect to such activities.

Medical Authorization and Release

We also hereby authorize the school, and their representatives, who may include any adult teachers, supervisors, or other representatives to authorize and obtain medical treatment and care for our child in the event any such representative considers treatment and care either immediately necessary or immediately appropriate. In making any such decisions, the persons hereby authorized to make the decisions may rely on the advice of available medical advisors, which may include physicians, nurses, EMT's, or other apparently qualified persons. In connection with such decisions, I hereby release the school, and their representatives, from any liability for the results of such treatment and care. It is my understanding that the school will use its best efforts to promptly contact one of us in the event medical treatment or care is considered necessary or appropriate.

Scope and Limitation

This consent and authorization is intended to cover the entire school athletic season, which begins August 1, 20__ and ends on July 1, 20__, including any activities conducted during vacation and recess periods. It is my understanding that we will be given advance written notice of any activities to be conducted off the school premises, and that we may withdraw consent to any particular activity by giving the school advance written notice, provided the notice is actually received by the school before the activity commences.

If only one parent has signed this consent and authorization, the plural shall be read as the singular.
